Otay Water District Receives Service Provider of the Year Award from the Otay Mesa Chamber of Commerce

L to R: Luz Camacho; Board President Mitch Thompson, Otay Water District; Chief of Administrative Services Adolfo Segura, Otay Water District; Assistant Chief of Water Operations Jose Martinez, Otay Water District; Board Member Tim Smith, Otay Water District; Communications Officer Tenille Otero, Otay Water District; and General Manager Mark Watton Otay Water District

Chula Vista, CA – The Otay Water District is the recipient of the Service Provider of the Year Award from the Otay Mesa Chamber of Commerce. This award is presented to an organization for its corporate identity and first impressions, and overall service to customers including creativity in assisting customers, responsiveness and timely attention to its customers, problem solving, customer awareness, and staff availability.

“Despite the many challenges to the water industry across the state in the last decade, Otay Water District has exercised fiscal responsibility and invested strategically in technology and its employees to provide safe and reliable water, wastewater, and recycled water service to the Otay Mesa community while keeping its costs down,” said Otay Mesa Chamber Executive Director Alejandra Mier y Teran. “We are pleased to recognize the Otay Water District with the Service Provider of the Year Award.”

“We are especially honored to receive this award from our customers in Otay Mesa,” said Otay Water District General Manager Mark Watton. “The employees of our water district share a culture of innovation and customer service that will continue to provide value to all of our customers, including our Otay Mesa residents and businesses.”

The Otay Mesa Chamber of Commerce presented the District with the award at its 32nd Annual Dinner and Awards Ceremony on Oct. 30 at the San Diego Country Club in Chula Vista.

The Otay Water District is a public agency providing water, recycled water, and sewer service to approximately 224,000 customers within approximately 125 square miles of southeastern San Diego County, including the communities of eastern Chula Vista, Jamul, Spring Valley, Rancho San Diego, unincorporated areas of El Cajon and La Mesa, and eastern Otay Mesa along the international border with Mexico. For more information on the Otay Water District, visit otaywater.gov.
