

OMWD Recognizes Winners of the Annual Water Awareness Poster Contest

Encinitas, CA—Olivenhain Municipal Water District’s Board of Directors recognized at its May 18 meeting the top three entries in the 2022 “Love Water, Save Water” Poster Contest.

Fourth grade students living or attending school within OMWD’s service area were eligible to enter the contest. The recognized entries were from Flora Vista Elementary School and Stone Ranch Elementary School. The winning posters were submitted by Indira Jayanti, Ariana Lemle, and Emalyn Negrea. Indira’s poster depicts her creative interpretation of rain harvesting. Ariana’s poster featured a large drop of water illustrating four different natural landscapes dependent on water, and Emalyn’s artwork shows two mermaids happily swimming in water.

“Given the drought conditions experienced throughout California, educational opportunities like this encourage students to learn more about water and their environment,” said OMWD Board Vice President Kristie Bruce-Lane. “The contest allows elementary school children to showcase their creative talents by conveying the importance of water use efficiency through art.”

This year marks the 29th year of the annual Water Awareness Poster Contest. The theme for this year’s contest was “Love Water, Save Water.” The contest teaches students the value of water as a limited resource and the importance of using it wisely, while providing OMWD with locally produced artwork to reinforce this message to its customers.

The recognized posters will be featured in a 2023 Water Awareness Calendar.

#

Olivenhain Municipal Water District is a public agency providing water, wastewater services, recycled water, hydroelectricity, and operation of Elfin Forest Recreational Reserve. Organized in 1959, OMWD currently serves approximately 87,000 customers over 48 square miles in northern San Diego County.
